

## Dear Grade 5 Families,

We are beginning to think ahead to Grade 5 graduation plans. As this is an unusual year, the grad activities may be adjusted to ensure the kids are safe. In previous years, students have been able to attend Camp Thunderbird for a day trip and we hope this is able to happen. However, the grad committee intends to work with the school to find a Plan B should this not be possible. With some thought, we hope that it still will be a fun and special time for the children.
