

EMJS PAC School Supplies Fundraiser:

Simplify your back-to-school shopping and have us deliver your school supplies to your child's classroom in September!

We have set up school supply kits with Monk so that families can once again order supplies for delivery to your child's classroom in September. Monk will generously donate \$3 per kit ordered plus 10% of sales to our PAC for us to put toward programs for next year.

To order for the 2019/20 school year:

- Visit <http://bts.monk.ca> and enter our EMJS PAC code: **330CB3** on the SHOP page.
- Select the grade and language (FR/EN) that your child will be in NEXT YEAR and add that kit to your cart. The kits automatically contain all the items marked "required" on the [school supply lists](#). Select additional optional items to add to your cart (the "optional" items on the school supply lists may be things you don't necessarily need to buy again if you already have something similar at home you can reuse, but something equivalent is nevertheless recommended for next year).
- New this year, we are adding an "**à la carte**" option for those who want to build their own kit because they have a number of leftover unused school supplies from previous years - please refer closely to the [school supply lists](#) as you build your kit so that you know what you need to round up from home and what you need to add to your cart.
- During checkout you can pay with Visa or Mastercard and choose free school delivery (to your child's EMJS classroom in Sept), free in-store pickup, or home delivery.
